\$509,000 FY08-09
\$920,200 FY09-10 & Thereafter
Increase State Expenditures - \$759,000 Recurring
\$175,000 One-Time

Increase Local Govt. Revenues - \$68,700
Increase Local Govt. Expenditures - \$68,700

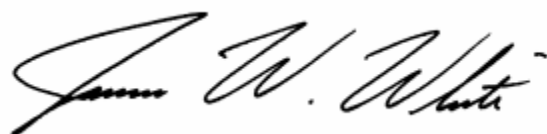

A more precise cost estimate of this administration bill is not possible because the Department of Safety has not provided any information to assist in the preparation of this fiscal note.

Assumptions:

- Approximately 11,000 drivers will have their driver license revoked under the provisions of this bill.
- An increase in state revenues from the collection of various fees. Due to the timing of suspensions, the state will not begin to receive the full amount of fees until the third fiscal year.
- An increase in state expenditures to fund the salary, benefits and operational expenses for twenty positions to implement and execute the provisions of this bill and to hold administrative review hearings.
- An increase in local government revenues from reimbursements paid by the Department of Safety for local officers to appear at administrative review hearings.
- An increase in local government expenditures to appear at administrative review hearings.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
